WORKSHOP FOR GOVERNMENT AND PVT ITIs

LSC in collaboration with GIZ has conducted an awareness and sensitization program to launch the courses of IN Plant Logistics Assistant and Warehouse Technician under the dual system of training in ITIs. This would be a blended program of imparting theory and basic practicals at the ITIs and thereby pursue an apprenticeship in the industry.

The industry can adopt any ITI's offering these two courses to facilitate practical training through an apprenticeship which will address the skilled manpower required for the industry.

यूनिवर्सिटी में शुरू होगा देश का पहला सेंटर ऑफ एक्सीलेंस इन लॉजिस्टिक्स

सिटी रिपोर्टर, इंदौर

देवी अहिल्या विश्वविद्यालय और भारत सरकार के स्किल डेवलपमेंट और एंटरप्रेन्योरशिप डिपार्टमेंट के लॉजिस्टिक्स सेक्टर काउंसिल के बीच शुक्रवार को दो मेमोरेण्डम ऑफ एग्रीमेंट (एमओए) पर हस्ताक्षर किए गए। इसके तहत डीएवीवी के आईईटी में भारत के पहले सेंटर ऑफ एक्सीलेंस इन लॉजिस्टिक्स की शुरुआत की जाएगी। इसके अलावा आईईटी डीएवीवी में लॉजिस्टिक्स एंड डेटा साइंस में 2 वर्षीय एमएस प्रोग्राम की शुरुआत होगी। यह देश में अपनी तरह का पहला कोर्स होगा। इसके अलावा बीई के अंतिम वर्ष लॉजिस्टिक्स में स्पेशलाइजेशन एवं इंडस्ट्री अग्रेंटिसशिप प्रोग्राम की शुरुआत लॉजिस्टिक्स सेक्टर काउंसिल की सहभागिता से शुरू की जाएगी।

शहर के विकास को भी रफ्तार मिलेगी

आईईटी डीएवीवी के एसो. प्रो. नागेन्द्र सोहानी ने बताया कि इस सेंटर के जरिए हर वर्ष करीब 5 हजार इंडस्ट्री के लोगों को स्किल डेवलपमेंट की ट्रेनिंग अलग-अलग फेज में दी जाएगी। इससे शहर में शुरू होने वाले लॉजिस्टिक्स हब को रेडी टू वर्क मैन पावर मिल पाएगा। हाल ही में अपने इंदौर दौरे के दौरान केंद्रीय मंत्री नितिन

गडकरी ने इंदौर में लॉजिस्टिक्स हब बनाने की बात कही थी। देश की जीडीपी में लॉजिस्टिक्स का योगदान 14 प्रतिशत का है। इन दोनों एग्रीमेंट से ना सिर्फ विश्वविद्यालय को फायदा मिलेगा, बल्कि शहर के विकास को भी रफ्तार मिलेगी। शहर के लोगों को रोजगार के अवसर भी मिल पाएंगे।

+ LOGISTICS SKILL DEVELOPMENT PROGRAM

Logistics Skill Development program:
Industry-Academia Interface session at AMAL College of Science & Arts, Nilambur, Kerala on 27th Dec 2021 organized and chaired by Shri Abdul Wahab (Hon Member of Parliament). Objectives are to create a Knowledge Economy, to institutionalize skills, vocational training in Logistics & EV's for Last Mile Deliveries for the students at Nilambur and vicinity. Plans are to embark on establishing a CoE with best global practices in Logistics & EVs.

GRANT APPROVED BY SIDBI TO FACILITATE SKILL DEVELOPMENT IN THE LOGISTICS SECTOR

+ TRAINING ON THE LOGISTICS MANAGEMENT WAREHOUSE ASSISTANT

Logistics Sector Skill Council in collaboration with the Small Industries Development Bank of India (SIDBI) and All India Manufacturers Organization (AIMO) had come together for a cause. LSC being the facilitation partner for training and placement, SIDBI being the funding partner, and AIMO being the mobilization partner have brought together various people who are either differently-abled persons or belonging to economically weaker section (EWS) to be trained in the logistics sector as a warehouse assistant. The bold aspect of this training is LSC facilitated the training in the training premises offered by the trainees at their hometown rather than mobilizing the candidates to world-class training centers which LSC has in the city limits of Chennai. LSC in collaboration with SIDBI and AIMO has committed to empowering not only the rural youth but also differently-abled youth and youth belonging to EWS by the way of skilling and employment LSC would request the employers to give new hope to all these skilled workforces by the way of coming forward to provide employment appropriately.

LSC ALLEVIATES STUDENTS FROM EWS & DEPLOYS THEM WITH GAINFUL EMPLOYMENT

An act of Good Karma - LSC alleviates students from EWS - Economically Weaker Sections with Logistics Skills & Deploys them with gainful employment. Expresses profound gratitude to each stakeholder for their unconditional support.

MOU WITH THE NATIONAL INSTITUTE OF OPEN SCHOOLING

Logistics Sector Skill Council on 25th March 2022 has achieved a landmark milestone by signing an MoU with the national institute of open schooling to facilitate distant learning courses in logistics for all the new aspirants in 10th standard and 12th standard.

This will also greatly benefit the existing entry-level workforce in the logistics sector who do not have a formal academic qualification.

These courses will be facilitated through the training centers (study centers) affiliated with the logistics sector skill council. Lsc is sure that a 12.74 million workforce in logistics will take the advantage of the initiative.

Chief Operating Officer, LSC, Mr. Ravikanth Yamarthy has stated that this initiative has been implemented at the right time which would complement the government's initiative of Gati Shakti to upskill the existing workforce.
