

**WAREHOUSE
MANAGER**

S.	NOS Details	Question	Option A	Option B	Option C	Option D	Answer	Marks
1	LSC/N9601. Conduct daily review and facilitate operations	What is primary purpose of daily warehouse review?	Delay dispatch process	Increase labor cost	Reduce reporting need	Improve inventory	D	10
2		Which document is most critical during daily operational review?	Vendor agreement	Employee salary sheet	Marketing plan	Stock variance report	D	10
3		Which KPI is most relevant for daily warehouse performance tracking?	Advertising reach index	Office attendance rate	Social media engagement	Order fulfillment rate	D	10
4	LSC/N9701. Business development and stakeholder relations	Which factor most strengthens business development in	High storage damage	Service reliability	Delayed deliveries	Poor tracking systems	B	10
5		What is key outcome of effective stakeholder engagement?	Reduced transparency	Increased disputes	Improved trust and retention	Higher operational	C	10
6		Which approach supports sustainable warehouse business growth?	Limiting service scope	Ignoring client feedback	Value-added services	Increasing delays	C	10
7	LSC/N9602. Review performance and develop performance improvement plan	Which tool helps track employee progress against targets?	Performance dashboard	Inventory register	Sales invoice book	Cash ledger	A	10
8		Which document supports structured performance improvement planning?	Purchase order sheet	Attendance register	Performance improvement	Marketing report	C	10
9		What is expected outcome of effective performance improvement	Reduced accountability	Enhanced employee	Increased confusion	Lower task clarity	B	10
10	LSC/N0112. Automate warehouse operations	Which device is used for automated	Hammer tool	RFID scanner	Measuring tape	Packaging knife	B	10
11		What is primary benefit of warehouse automation systems?	Increased manual	Improved efficiency and	Higher error rates	Slower processing	B	10
12		What is role of conveyor systems in automation?	Eliminate documentatio	Store inventory manually	Replace barcode	Transport goods efficiently	D	10
13	LSC/N0111. Support in warehouse layout design and customs clearance	What does proper zoning in	Faster	Higher confusion	Poor tracking	Extra handling	A	10
14		What is purpose of Bill of Entry in customs clearance?	Manage dispatch plan	Track employee time	Declare imported goods	Record wages data	C	10
15		What is main objective of efficient warehouse layout design?	Increase paperwork	Improve workflow	Reduce storage space	Delay operations	B	10
16	LSC/N9908. Maintain and monitor integrity	What is primary purpose of maintaining integrity in operations?	Increase informal deals	Ensure honest practices	Reduce accountability	Avoid documentation	B	10

17	and ethics in operations	Which action reflects ethical behavior in warehouse operations?	Transparent reporting	Data manipulation	Selective reporting	Informal adjustments	A	10
18		What is key outcome of maintaining ethics in operations?	Poor accountability	Increased disputes	Reduced transparency	Trust and compliance	D	10
19	LSC/N9909.Follow	What is primary objective of safety	Delay	Increase	Reduce control	Prevent	D	10
20	and monitor health, safety and security procedures	Which method is used to proactively identify workplace hazards?	Dispatch log	Sales analysis	Attendance tracking	Risk assessment	D	10
21		As a warehouse manager, what is first managerial action after identifying a	Wait for escalation	Ignore minor issues	Implement corrective	Continue operations	C	10
22	LSC/N9907.Verify and review GST application	What is main outcome of correct GST application review?	Legal tax compliance	Financial misreporting	Increased penalties	Reduced transparency	A	13
23		What is primary purpose of GST application verification?	Increase billing errors	Ensure tax compliance	Reduce documentation	Delay filing process	B	13
24		Which document is essential for validating GST input claims?	Delivery challan	Tax invoice	Attendance sheet	Purchase order draft	B	14
25	DGT/VSQ/N0103.Emp	Which skill is most important for	Casual talking	Loud speaking	Active listening	Silent response	C	6
26	loyability Skills (90 Hours)	What does teamwork mainly ensure in an organization?	Coordinated output	Individual isolation	Task duplication	Reduced productivity	A	6
27		Why is adaptability important in	Limit growth	Avoid	Reduce learning	Adjust to	D	8
28	LSC/N0112.Automate	What is the strategic role of sensors	Limit system	Increase	Replace	Enable real-time	D	10
29	d warehouse operations	Why is real-time data synchronization critical in automated inventory	Increases manual	Reduces workforce	Eliminates audit requirements	Supports accurate	D	10
30		What is the operational advantage of robotics in warehouse execution systems?	Increases dependency on manual	Improves throughput with precision	Reduces system connectivity	Limits operational scalability	B	10
31	LSC/N0113.Cold	What is key role of data loggers in	Monitor	Increase manual	Replace	Reduce storage	A	10
32	Chain Operations	What does a temperature excursion in cold chain indicate?	Faster product turnover	Improved cooling efficiency	Deviation from set range	Reduced handling time	C	10
33		What is primary function of insulated packaging in cold chain?	Enhance labeling clarity	Increase product weight	Preserve required	Reduce inventory	C	10
34	LSC/N0114.Dry Bulk	What is primary objective of dry bulk	Avoid material	Increase manual	Reduce storage	Efficient bulk	D	10
35	warehouse operations	Which factor is most critical in dry bulk storage management?	Packaging aesthetics	Moisture control and ventilation	Office layout design	Delivery scheduling only	B	10

36		What is key operational challenge in dry bulk warehousing?	Invoice generation	Employee attendance	Material flow and spillage	Customer communication	C	10
37	LSC/N0115.Bonded	What is primary objective of bonded	Avoid	Increase	Store goods	Reduce	C	10
38	warehouse operations	Which authority primarily regulates bonded warehouses?	Customs authority	Transport authority	Municipal body	Labor department	A	10
39		What document is essential for bonded goods movement approval?	Staff attendance log	Delivery challan	Internal memo sheet	Customs bond register	D	10
